

Special Education Census ► The Right Way

ESS Data Management is pleased to present a three-part training series on the annual Federal Child Count Process. This three-part series will cover all phases including:

Part 1 – Verification

Part 2 – Reconciliation

Part 3 – Non-Reconciliation

Below is the schedule for the **Part 1 sessions only**. Please note that registration is required. Sessions for Part 2 will be held in January/February of 2015, and Part 3 is slated for early spring of 2015. Details for these sessions will be announced at a later date.

Let us show you the right way...

If you are new to this process or if your PEA has previously been unable to successfully reconcile your October 1 SPED census count in SAIS because of inaccurate verification letter count reporting, then this Part 1 session is for you!
